

Creature Comforts

Jan L'Aboni

The ARL would like to thank Jan for always being so accommodating when we call with a “kitty glamour emergency”. Even when she is fully booked, she will make time for ARL cats. We drop off some of the most matted, dirty cats you can imagine. After some time with Jan, they're ready for a Hollywood premier!

Jan, on behalf of all the cats you have helped regain their glamour...we sincerely thank you.
