

Santana - aka Lucky!

JUST WANTED TO UPDATE THE ADOPTION OF "SANTANA" ON MARCH 7, 2011

We first saw Santana at PetLife at Northgate and fell in love with him...We have since changed his name to LUCKY as we felt he was lucky to find us and we to find him. As you can see from this photo he has settled in well. He was found in Jan. yet no one had adopted him. LUCKY for us. Everyone there told us how loveable he was,..... well its been threefold.

Just a quick note,
Lucky became our
3rd shelter cat,
Molly was adopted
from ARL in 1997,
passed away in
March of this
year, and Bell was
adopted in Florida
in 1998 passed
away 2009.
